**Mandriva 2011 RC is planned to be delayed**, and maybe we could expect a Beta 3 release for next days.

Hello Dear Mandriva testers, the new dates for RC and Final, or even some extra testing releases, like a beta3, will be posted soon.

Please follow [http://wiki.mandriva.com/en/2011\\_Development](http://wiki.mandriva.com/en/2011_Development) for further news
